   a. teacher b. farmer c. vet d. emperor

3 Read and complete the text with the words in the box.

germination - grows - above - under

Tomatoes have seeds inside. We can take the seeds and grow new tomatoes! We plant a seed and the plant (1) .... That is called (2) .... We water the plant every day, and the roots grow (3) .... the soil. The plant grows flowers and the flowers become tomato fruits.

4 Read and match (A) with (B).

(A)	(B)
1. Rhim gazelles have	☐ a. seeds inside.
2. The crocodile is	☐ b. an emperor lives.
3. Tomatoes have	☐ c. plants live.
4. A palace is where	☐ d. strong and scary.
	☐ e. long horns.

5 Read the text and answer the questions.

A habitat is a place where living things live and grow. There are many habitats. In the agricultural habitat, farmers grow food for us to eat like bean plants and orange trees. Plants near the rivers and lakes, like lotus flower and reed, need a lot of water. Plants that live in the desert don't need a lot of water. There is not much rain in the desert, so we can find acacia plant and tamarisk there.

A. Choose the correct answer.

1. Lotus flowers and reed grow near the ....
   a. deserts　b. rivers　c. streets　d. roads
2. Orange trees grow in the .... habitat.
   a. desert　b. oasis　c. agricultural　d. lake

B. Answer the following questions.

3. What do farmers grow in the agricultural habitat ?
   ....
4. What plants can we find in the desert ?
   ....

6 Reorder the words to make correct sentences.

1. big – has – The – fox – fennec – ears.
   ....
2. perfect – are – Camels – for – desert – the.
   ....
3. green – Why – tomatoes – are ?
   ....

7 Punctuate the following.

spiders are very helpful

....

8 Write a paragraph of about TWENTY FOUR [24] words using the guiding elements.

"Camels"

Guiding elements :

- without water
- flat feet

....
....
....

October assessment :

The fennec fox lives in the deserts of North Africa. It's smaller than other foxes. It's 20 centimeters tall. It weighs around 1 kilogram. It eats insects, lizards and small mice. The fennec fox loses heat from its ears.

Sample Test 1

1 Read and match (A) with (B).

A		B
1. Camels are very		a. than the elephant.
2. We need oxygen in		b. our bodies.
3. The mouse is smaller		c. the desert.
4. Camels are perfect for		d. beautiful eyes.
5. We chew food with		e. our teeth.
		f. noisy.

2 Reorder the words to make correct sentences :

1. scary – is – think – I – the – spider.

....

2. do – crocodiles – snakes – and – What – eat ?

....

3. from – away – smoke – Stay.

....

4. camels – more beautiful – than – Are – horses ?

....

3 Punctuate the following sentence :

which animals are cute

....

Rhim gazelles look very beautiful.

7. Punctuate the following: 1

how tall is a fennec fox, eman?

How tall is a fennec fox, Eman?

8. Write a paragraph of about TWENTY FOUR (24) words using the following guiding elements: 4

"Crocodiles"

How do crocodiles look like? – What do crocodiles eat?

Crocodiles look huge and scary. They eat small birds and lizards. Some people find crocodiles scary, but they control the number of small animals. All animals have an important job to do.

Listening

1. Listen and write (True) or (False):
4

My name is Nader. I am in a wheelchair basketball team. I usually practice with my friends on the weekend. I play handball but I enjoy basketball more. I eat healthy food and I drink plenty of water. I practice and play in the park.

1. Nader is in a wheelchair basketball team. (True)
2. He usually practices with his friends on the weekend. (True)
3. Nader doesn't play handball. (False)
4. He eats unhealthy food and drinks little water. (False)

Reading

2. Choose the correct answer from a, b, c or d:
4

1. The pelican is a kind of ....
   a) animals b) lizards c) birds d) crocodiles
2. Farmers like .... because they eat insects.
   a) cows b) goats c) spiders d) snakes
3. I don't drink cola .... I exercise every day.
   a) and b) so c) but d) because
4. Ice cream is .... delicious than cakes.
   a) much b) more c) many d) little

3. Read and complete the text with the words in the box:
3

river – desert – sand – water

There is too much sand in the desert. However, camels can walk easily on the sand because they have large, flat feet. Camels can live without water for a long time as well. They have special ways to close their eyes and noses to stop the sand from coming in.

4. Read and match (A) with (B):
4

A	B
1. The land in Damietta governorate ...	a. (2) B: I'm hungry.
2. A: How do you feel, pelican?	b. (4) because I'm very busy.
3. I only drink water ...	c. ( ) I like them.
4. I don't play video games ...	d. (3) because I don't like cola.
	e. (1) is rich in nutrients.

5. Read the text and answer the questions:

4

Hello! My name is Samira. I am in grade four, and I learn a lot about animals at school. Yesterday, our science teacher told us about animals. She said that snakes and fennec foxes live in the desert. They eat insects, small birds, and lizards, and they control the number of small animals. Crocodiles and spiders are scary, but farmers like spiders because they eat small insects. It's true that some animals look huge and scary, but they are all important.

A Choose the correct answer from a, b, c, or d:

1. «Lizards» are small .... that live in the desert.
   a) birds b) animals c) plants d) trees
2. Samira is in grade ....
   a) five b) four c) six d) two

B Answer the following questions:

3. Where do snakes and fennec foxes live?
   They live in the desert.
4. How can spiders be helpful to farmers?
   They eat small insects.

Writing

6. Reorder the words to make correct sentences:

6

1. helpful – Spiders – very – are – to farmers.
   Spiders are very helpful to farmers.
2. control – Crocodiles – of – the number – animals – small.
   Crocodiles control the number of small animals.
3. do – Crocodiles – a very – job – important.
   Crocodiles do a very important job.

7. Punctuate the following:

1

are spiders helpful to farmers

Are spiders helpful to farmers?

8. Write a paragraph of about TWENTY FOUR (24) words using the following guiding elements:

4

"Fennec Foxes"

Where do they live? – What do they eat?

Fennec foxes live in the desert of North Africa. They are smaller than other foxes. They eat insects, small animals, and mice. They are about 1 kilogram.

Listening

1. Listen and write (True) or (False):
4

Camels and horses are very helpful animals. Camels help us carry people and things across the desert. Camels are taller and heavier than horses. Horses are faster than camels. Horses are more beautiful as well. They eat grass and drink fresh water.

1. Camels help us carry people and things across the desert. (True)
2. Camels are faster than horses. (False)
3. Horses are more beautiful than camels. (True)
4. Camels eat grass and drink fresh water. (False)

Reading

2. Choose the correct answer from a, b, c or d:
4

1. His homework is full of mistakes. He needs to .... it.
   a) repaint b) remix c) redo d) revisit
2. I like playing tennis, ... I can't play well.
   a) and b) so c) but d) because
3. The fish is .... than the pelican.
   a) small b) smaller c) smallest d) a small
4. The most important man in China is the ....
   a) chef b) gardener c) emperor d) prince

3. Read and complete the text with the words in the box:
3

leaves – sleep – Desert – research

Habiba is doing research on rhim gazelles. She used the internet to find more information about them. Rhim gazelles live in the Sahara Desert. They eat grass, leaves, and plants. Rhim gazelles don't need to drink a lot of water. They have big ears and long horns.

4. Read and match (A) with (B):
4

A	B
1. Horses eat grass ...	a. (4) in a beautiful palace.
2. I think we raise ...	b. (1) and drink fresh water.

4. The emperor lived ...	d. (3) but my leg hurts.
	e. (2) chickens in Egypt.

5. Read the text and answer the questions: (4)

Fennec foxes are also called "desert foxes". They live in the deserts of North Africa. Fennec foxes are more active at night than they are during the day. It's really hot where they live during the day, so they hide their bodies in the sand to avoid the heat. Like dogs, fennec foxes move in groups of up to ten foxes. They usually eat insects and smaller animals. Their coats are light yellow with black tails.

A Choose the correct answer from a, b, c, or d:

1. Fennec foxes are also called " .... foxes".
   a) sea   b) farm   c) wild   d) desert
2. Fennec foxes are active at ....
   a) morning   b) sunrise   c) night   d) evening

B Answer the following questions:

3. Where do fennec foxes live?
   They live in the deserts of North Africa.
4. What do fennec foxes eat?
   They usually eat insects and smaller animals.

Writing

6. Reorder the words to make correct sentences: (6)

1. plant – Take – the pot – and – the seed.
   Take the pot and plant the seed.
2. homework – redid – She – her.
   She redid her homework.
3. cheese – Domiati – is – delicious – very.
   Domiati cheese is very delicious.

7. Punctuate the following: (1)

do you think we raise animals in Egypt

Do you think we raise animals in Egypt?

8. Write a paragraph of about TWENTY FOUR (24) words using the following guiding elements: (4)

"My cousin Adam"

wheelchair – practice

My cousin Adam is in a wheelchair basketball team at school. He practices three times every week. He plays basketball in the park. He is healthy.
